

# KOROSEAL VINYL STAIR TREADS

A distinct innovation in stair coverings made of the most famous name in vinyl, "Koroseal", to give you long wearing stair treads that have surface quality and color throughout the thickness; are nonporous; long wearing; abrasion resistant and easy to clean. For commercial, industrial or institutional use. All Koroseal Vinyl Stair Treads meet Federal Specs. ZZ-T-001237 (GSA-FSS).

No. 400

Heavy gauge sharp-rib design Koroseal vinyl tread for heaviest traffic; 1/4" thick at wear area, easily trimmed to cover and fit any stair step. Install over concrete, metal, wood, terrazzo. Extra heavy thickness at the front "wear area". Meets Fed. Specs. RR-T-650E Type B.

**Specifications:** Furnish and install No. 400 Koroseal vinyl rib design stair treads by Musson Rubber; 1/4" thick, 12" deep; 1-1/4" square nose; contain no asbestos fiber; made of first quality homogenous vinyl, color throughout thickness; free from imperfections which might lessen serviceability. Select standard length of 24", 30", 36", 42", 48", 54", 60", 72", 84" or 96". Select standard solid color of Brown, Sand, Gray or Black.

No. 375

Designed for use in apartments, urban renewal housing, housing for the elderly and housing projects. Lower initial cost, ease of installation and cleaning, and long service appeals to owner and builder. Extra thick at front; Meets Fed. Specs. RR-T-650E Type B.

**Specifications:** Furnish and install No. 375 Koroseal vinyl rib design stair treads by Musson Rubber; 3/16" thick, 12" deep, 1-1/4" square (or curved) nose; contain no asbestos fiber; made of first quality homogenous vinyl, color throughout thickness; free from imperfections which might lessen serviceability. Select standard length of 18", 24", 30", 36", 42", 48", 54", 60", 72", 84" or 96". Select standard solid color of Brown, Sand, Gray, or Black.

No. 355

Lower cost production for multi-family dwellings, apartment houses, low income housing. This tread with extra long nose is designed to use on a 2" x 12" plank step or molded concrete step. Heavier thickness at front "wear area". Treads are easy to install; flat rib surface is easy to clean. Meets Fed. Specs. RR-T-650E Type B.

**Specifications:** Furnish and install No. 355 Koroseal vinyl rib design stair treads by Musson Rubber; 1/8" thick, 12" deep, with 1-3/4" extra long square nose; contain no asbestos fiber; made of first quality homogenous vinyl, color throughout thickness; free from imperfections which might lessen serviceability. Select standard length of 18", 24", 30", 36", 42", 48", 54", 60", 72", 84" or 96". Select standard solid color of Brown, Sand, Gray or Black.

No. GS365 GRIT-STRIP KOROSEAL VINYL

The economical, nonporous, abrasion resistance and easy cleaning features of Koroseal Vinyl are now combined with the safety features of "Grit-Strips" into one stair tread. Can be used in all but the heaviest traffic areas. Meets Federal Specs. RR-T-650E Type B.

**Specifications:** Furnish and install No. GS365 Koroseal Vinyl Grit-Strip rib design stair treads by Musson Rubber; 7/32" thick, 12" deep; 1-1/4" square nose; two black\* 1" wide abrasive Grit-Strips inlaid in tread, 1" from front edge, spaced 1-1/4" apart; contains no asbestos fiber; made of first quality homogenous vinyl, color throughout thickness; free from imperfections which might lessen serviceability. Select standard length of 36", 42", 48", 54", 60", 72", 84" or 96". Select standard solid color of Brown or Gray. (Grit Strip also available in Gray, Brown, Beige, Safety Yellow & Safety Red)

# KOROSEAL VINYL STAIR TREADS

## No. 300

Lowest cost protection for stairs of homes, duplexes and apartments. Modern beauty, durability and safety with this tread. Features extra heavy snap-on nose that fits either square or curved nose wood steps that are between 3/4" and 1-1/8" thick.

**Specifications:** Furnish and install Musson #300 Koroseal vinyl rib design stair treads, 1/8" thick, 9-5/8" deep with snap-on nose in standard sizes as needed: 18", 24", 30", 36", 42", 48" or 72"; color selected from standard plain colors of brown or black.

## No. 334

Lightweight, economy gauge with a round rib design. Wear and tear resistant Koroseal will give years of service; compares with heavier weight treads. Curve-around nose fits round or square nose steps. Intended for residential or light commercial use.

**Specifications:** Furnish and install Musson #334 Koroseal vinyl economy stair treads, round rib surface design, approximately 5/64" thick, 10" deep, with curve-around nose; in standard sizes as needed: 18", 24", 36", 48", or 72"; in standard plain colors of brown or black.

## No. 405CR

## COVE STAIR RISERS

Plain color cove risers match Koroseal vinyl stair treads; or use a contrasting riser with vinyl or rubber treads; easily trimmed in height and length; savings in installation are substantial; cove risers are same sizes as stair treads.

**Specifications:** Furnish and install No 405CR Koroseal vinyl coved stair riser by Musson Rubber; 1/8" thick, 7" high with 5/8" toe; ribbed back. Select standard length of 18", 24", 30", 36", 42", 48", 54", 60", 72", 84" or 96". Select standard solid color of Brown, Sand, Gray or Black.
